### PARKING:

#### Portsmouth

There is some parking with pay machines outside the Cathedral. In addition there is St George's car park which is at the top end of St Thomas Street (£2 all day for Sunday). Within a short walk there is also paid parking on Grand Parade. The nearest long stay is at Clarence Pier by the Hovertravel.

#### Winchester

There is no parking allowed on the cathedral grounds so the only parking will be in the numerous pay to park car parks in the town.
