W&P Firsts - Fortnight

11th - 27th October

(ok - just over a fortnight!)

This is the opportunity for **ANYONE** to complete a ringing **FIRST** and to **CELEBRATE** the fact.

Here's how we do it.

1. Identify a ringing **FIRST** that your learner / band or **YOU** could achieve. This could be a first in method, first time to take a bell up, first rounds, first quarter, first Sunday service ringing - anything that is a **FIRST**. The possibilities are endless!
2. Do it during Firsts - Fortnight, 11th - 27th October
3. Send it up to Bellboard, linked to 'W & P Firsts - Fortnight'.
(Make a donation in the usual way for quarters etc if you wish however publication may be held until step 5.)
4. If you are sending this up on behalf of your learner or band, **PLEASE** print off a copy and give it to them, or email them a link to **CELEBRATE** their achievements.
5. Once all 'performances' are in I will send up a write-up to the Ringing World.

Some reasons to ring
