

**The Winchester and Portsmouth Diocesan Guild
of Church Bell Ringers**

REPORT FOR 2019

MASTER'S MESSAGE

I would like to start by thanking all of those I have met since taking up the post of Master last June for making me feel so welcome at district meetings, practice nights, Guild meetings or any other occasion that our paths have crossed.

I would also like to thank the outgoing principle officers and anyone else who contributed to the smooth running of the guild over the last three years, and to thank those who have taken up or agreed to stay in Guild posts.

I always feel there is a great sense of community and support across the guild and those of you who I met at the district general meetings will have heard my thoughts on the huge amount of time and effort that you all give willingly to help our learners to develop, and for your dedication to service ringing. Many of you ring not only at your own tower but also your neighbouring towers which would perhaps be silent without the support of visitors. I know that we all do it partly for self-satisfaction and the 'buzz' that we get from ringing anywhere, any time, but the support that I see for others is overwhelming so once more I would like to thank you all.

I was delighted to see the number of 'firsts' scored in 'firsts fortnight' last year. There seemed to be pockets of support across the Guild where there were perhaps some individuals or towers who picked up the batten and ran with it. WELL DONE to those of you who scored firsts and my thanks to those who supported this by ringing, arranging ringing or encouraging your learners to take part.

As I write this we are in the grips of the Covid-19 (Corona) virus which has already started to affect some local ringing and the work of the Guild. 2020 is likely to be a very disrupted year for both ringing and the world in general. There will be time needed to pick up the pieces of both normal life and the work of the Guild where there has been disruption.

With best wishes to you all,

Pete Jordan

SUBSCRIPTIONS AND FEES

COMPOUNDED: £10.00 (see Rules 6 and 8)

ANNUAL: Ringing Members not less than £10.00 unless over 60 in which case not less than £7.50
or in full time education in which case not less than £6.50.

Associate Members not less than £10.00 unless over 60 in which case not less than £7.50.

Probationary Members £2.00

(£2.00 of each subscription, other than from Probationary Members, is allocated to the Bell Restoration Fund).

Peal fees (per ringer) 50p.(half of the income from peal fees is transferred to the Bell Restoration Fund and half to the General Fund)

GENERAL SECRETARY'S REPORT

As I write this, I realise that we are already over half-way through the Guild year, since the last AGM, and the plans for the 2020 AGM are already well underway. Having taken over from Heather Frazer as Guild Secretary I would like to take this opportunity to thank Heather both for what was a very efficiently organised hand-over and for her service to the Guild. I now know just how much work is involved – and that is without the additional work of the WW1 Centenary commemoration, so thank you Heather, you did a fantastic job.

In May we commemorated the Centenary of the ending of the Great War and those who had fallen in the Great War with two services; at Portsmouth Cathedral on 12th May and Winchester Cathedral on 19th May. Though quite different in style, both services were moving, thought-provoking and also well attended. For me personally, the presentation of the records was the most moving part, preceded by the ringing of handbells. At Winchester, we were fortunate enough to have the Chamborough mini-ring which generated a lot of interest from the general public, and quite a few people were interested enough to pass on their contact details to us. I would like to express my personal thanks to all those involved in this huge effort in commemorating the ending of the Great War and the considerable effort that went into producing the records of performances. Performances for the WW1 Centenary are still taking place these performances are being recorded in the digital archive.

Another success story for the Guild was the “Firsts Fortnight” held between 11th October and 1st November 2019. In all 73 performances were recorded on Bellboard and later published in the Ringing World. The performances were varied. There were even a few “first” performances on handbells. As a keen handbell ringer myself, I am especially pleased about this and hope that as a Guild we can steadily increase the number of those who ring handbells.

Adrian Nash

REPORT OF THE HONORARY GENERAL TREASURER

I have pleasure in presenting my report and accounts of the Central Fund for the year ended 31st December 2019.

Income levels remained steady. Total subscription income from the districts is shown in the table below:

	2019	2018
Alton & Petersfield	£672.70	£696.15
Andover	£580.65	£580.30
Basingstoke	£795.55	£810.60
Channel Islands	£530.50	£223.00
Christchurch & Southampton	£888.65	£900.55
Isle of Wight	£598.50	£611.10
Portsmouth	£872.55	£857.15
Winchester	£1184.05	£1,156.05
	<u>£5826.15</u>	<u>£ 5,834.90</u>

In addition to routine income, £271.76 was received in donations towards the cost of the WW1 commemorative volumes and associated costs. The WW1 costs, totalling £1749.13 were paid out during 2019 including the record of ringing in remembrance books.

As a result, the General Fund balances decreased by £38.87 whilst the balance on the Training and Development Fund increased by £72.00.

Balances held are considered to be sufficient for foreseeable needs.

Total financial assets held by the Guild at the year-end were as follows:

	2019	2018
Central Fund:		
General Fund	3,311.86	3,350.73
Training and Development Fund	1,118.62	1,046.72

WINCHESTER AND PORTSMOUTH DIOCESAN GUILD OF CHURCH BELL RINGERS
BELL RESTORATION FUND
(A REGISTERED CHARITY No. 264606)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2019

The fund is a registered charity with the registered number 264606

The fund is governed by rules approved by the Winchester and Portsmouth Diocesan Guild of Church Bell Ringers (the Guild) in General Meeting.

The trustees of the fund are the Guild Master, The Honorary Guild Treasurer, the Honorary Guild Secretary and two additional trustees, one from each diocese, elected triennially by the Guild in General Meeting.

The trustees during 2019 were:

Miss H Woolford, (Honorary Guild Treasurer) from 15.06.2019
Mrs R Brandwood (Honorary Guild Treasurer) to 15.06.2019
Mr A Nash (Honorary Guild Secretary) from 15.06.2019
Mrs H Frazer (Honorary Guild Secretary) to 15.06.2019
Rev Canon B J Fry (Winchester Diocese area)
Mr D Mattingley (Portsmouth Diocese area)
Mr P Jordan (Guild Master) from 15.06.2019
Mr M Winterbourne (Guild Master) to 15.06.2019

The independent examiner of the fund is Mr P Clarke ACIB.

The principal bankers are TSB Bank plc.

The activities of the Bell Restoration Fund are restricted to the area covered by the Anglican Dioceses of Winchester and Portsmouth. None of the Fund's assets is a permanent endowment. There are no borrowing limits imposed in the governing rules. The trustees have no specific investment powers.

The main aims of the Fund are to provide financial assistance by way of grants to Churches, within the area mentioned above, incurring expenditure on the provision, maintenance, improvement or acoustics of their bells and bell installations, or for the maintenance of the fabric of their towers and belfries, to enable their bells to be properly rung in full circle.

Review of the year and the future

The Fund's income for 2019 remained steady.

The Trustees acknowledge, with thanks, donations from individuals and from the following towers:

Catherington	£100	Christchurch Priory	£100
Ringwood	£ 60		

Five grants were approved during the year:

Church of the Ascension, Burghclere	£ 400.00
St Peter's, Over Wallop	£ 1,800.00
All Saints, Odiham,	£ 2,300.00
St Michael's, Basingstoke	£ 450.00
St Mary's, Twyford	£ 7,500.00

The Trustees regularly review the level of reserves and wish to encourage use of the available funds. They have been advised of three further applications for consideration early in 2020.

Reserves Policy

The trustees aim to maintain reserves to cover expected future grants for at least a further twelve months. The reserves held satisfy that requirement.

A reminder to those applying for grants that the initial application needs to be with the Guild Treasurer at least 1 month before the Trustees meet. Trustees meet three times a year, before each of the Executive meetings and before the Guild AGM. Grants can only be approved at either the Executive meeting or AGM. Any approved at the Executive meetings are required to be ratified at the next Guild AGM. The forms required are to be found on the Guild's website or can be obtained in paper form from the Guild Treasurer. It is very important that all the documentation requested in the form is made available to the Trustees. If an application is sent by email then it should also be sent through the postal system. All applications are acknowledged so if no acknowledgement is received within two weeks then a chaser should be sent.

The Trustees would like to thank all those who have donated time, energy and money towards the aims of the Bell Restoration Fund.

Due to the emergency regulation brought about by the Covid -19 epidemic to curtail meetings, the BRF Report and Accounts were electronically circulated to and agreed by the Trustees but could not be signed in the normal manner.

BELL RESTORATION FUND RULES

1 Title

The fund shall be known as the Winchester and Portsmouth Diocesan Guild of Church Bell Ringers Bell Restoration Fund.

2 Registration

The fund shall be registered as a charity.

3 Aims

The object of this fund shall be to provide financial assistance by way of grants to Churches, within the Diocese of Winchester and Portsmouth, incurring expenditure on the provision, maintenance, improvement or acoustics of their bells and bell installations, or for the maintenance of the fabric of their towers and belfries, to enable their bells to be properly rung in full circle.

4 Definitions

References to 'the Guild' shall mean the Winchester and Portsmouth Diocesan Guild of Church Bell Ringers. References to 'the Executive Committee' shall mean the Executive Committee of the Guild.

5 Trustees

The Trustees of the fund, referred to hereinafter as 'the Trustees', shall be the Master, the Honorary General Secretary and the Honorary General Treasurer of the Guild, and two Trustees, one from each Diocese, elected triennially by the Annual General Meeting of the Guild.

6 Honorary Independent Examiner

The Honorary Independent Examiner of the fund shall be the Honorary Independent Examiner for the time being of the Guild.

7 Administration

The fund shall be administered by the Trustees.

8 Grants

- a. An application for or proposal to make a grant from this fund shall be considered only at a General Meeting of the Guild or at a meeting of the Executive Committee, provided at least one month's notice in writing has been given of such application or proposal to the Honorary General Secretary.
- b. Following notice duly given, the Trustees shall consider such applications or proposals and shall make recommendations to the meeting of the Guild or Executive Committee at which the application or proposal shall be discussed.
- c. Grants shall be made from this fund only for the purposes outlined in the objectives in rule 3 above. A grant may be made, subject to the requirements of rule 8a above, if approved by two-thirds or more of those members of the Guild present and voting at a General Meeting of the Guild or at a meeting of the Executive Committee. To be eligible to vote on such matters, members must fulfil the requirements of the Guild on voting. The Trustees shall inform the Guild of any grants approved at a meeting of the Executive Committee at the next General Meeting of the Guild.
- d. Following such approval a grant shall be made, except that the Trustees shall be given absolute discretion to reduce, but not to increase, a grant, in the exceptional circumstances that they unanimously feel it in the interests of the fund and of the Guild to do so. They shall inform the Guild of any such action at the next General Meeting of the Guild.

9 Disbursements

Any payments drawn on this fund under rule 8 above, or required under rule 11 below, shall be made over the signature of the Honorary General Treasurer for the time being and one other Trustee of the fund. No payment shall be made until the work is satisfactorily completed. All administrative and other expenses incurred in respect of the fund other than those specifically relating to the acquisition and realisation of investments shall be borne by the Guild.

10 Accounts

- a. The Honorary General Treasurer shall prepare accounts, consisting of a balance sheet at 31st December each year, and an income and expenditure account for the year ending on that date.
- b. These accounts shall be presented to the Independent Examiner of the fund who shall satisfy himself as to the correctness thereof.
- c. These accounts, duly independently examined, shall be submitted for approval to the Annual General Meeting of the Guild next after the 31st December to which the accounts of the fund have been prepared.

11 Investments

The Trustees acting together shall have the power to invest or otherwise deal with the assets of the fund and such sums as the members of the Guild shall contribute or from time to time decide to transfer to the fund, in such manner as they think fit in the best interests of the fund.

12 Dissolution of the fund

- a. If it shall be decided to dissolve the fund, such decision being taken only at an Annual General Meeting of the Guild, one month's notice having been given by the Honorary General Secretary to Tower Secretaries of such intent, the assets shall be disposed of to either or between both of the following:
 - i. To other charitable Bell Restoration Funds as the Guild may select
 - ii. To the Cathedrals of Winchester and Portsmouth for the religious and charitable purposes of the said Cathedrals.
- b. In the event of the Guild becoming defunct, it shall be allowed for the Registrar of Charities after five years non-working of the fund to cause it to be dissolved and its assets applied as under rule 12 a ii.

13 Changes of rules

- a. No amendment of, addition to, or deletion from these Rules shall be made which would cause the fund at any time to cease to be a charity in law.
- b. No alteration or addition to the above Rules may be made except at a General Meeting of the Guild, or Special Meeting called for the purpose, when the number of eligible members voting in favour must be at least 20 and double those voting against the proposal. Notice of any such proposed alteration or addition must be given in writing at least two months before the date of the meeting to the Honorary General Secretary of the Guild, who shall inform all Tower Secretaries of the Guild of this proposal at least one month before the aforesaid meeting.

EDUCATION COMMITTEE REPORT

Continuing the pattern of previous years, the Education Committee ran four full-day courses during 2019. These covered Grandsire doubles and Triples, Cambridge Surprise Major, listening skills and Plain Hunt. Additionally, an evening of Basic Raising and Lowering took place in February, plus a morning of Raising and Lowering in Peal in May.

The Education Committee would like to thank all those who generously give their time, talents and energy to help on Education Days, whether in the tower as steady ringers, or behind the scenes providing refreshments, arranging towers or pubs for lunch, or putting muffles on bells for silent practices, and to tower secretaries who liaise with their local churches to accommodate our often late changing needs. None of the courses would run without your help. Thank you all very much.

During the year, two discussion sessions were held to review the training needs of the Guild and how those training needs should be fulfilled. The "Have Your Say" evening during Holy Week, held in Winchester looked primarily at what is needed. Invitation to the Education Committee Meeting in September were extended to representatives of all districts and addressed how to deliver training to fulfil the needs. The outcome of the two meetings was that there is a desire for more training to be delivered closer to the attendees, and that at the foundation and early change ringing stages (up to Plain Bob Doubles / Grandsire Doubles) that the training should be district based rather than Guild based. The Guild Education Committee will therefore during 2020 focus on providing support to district run courses, providing resources (course materials, tutor, advice and support) where required. The Guild Education Committee will focus on delivering a fewer number of courses at the intermediate change ringing level. At the time of writing it is planned that the Education Committee will deliver a single course this year, focussing on plain methods beyond Plain Bob Doubles and Plain Bob Minor to provide building blocks for progressing to Surprise Minor. The Committee will monitor what training is being delivered in the districts during 2020 to determine whether this approach is working, or whether the pattern needs to be revised in 2021. Should Guild members have any comments then please pass these on to members of the Education Committee.

Christine Knights-Whittome stood down from the Education Committee at the end of 2019 after many years of service. Christine has kept us all on track for many years and will be sadly missed. We wish you a happy retirement from the stress of organising both events and the other committee members.

The Education Committee is always looking for additional members, at all levels of ringing ability. A lot of what is needed is input into discussions to help identify training needs, and to consider different ways to satisfy those needs. If you are interested in joining us, please get in touch.

Financially, our 2019 end-of-year figure is higher than last year, although at the end of 2018 about £300 had already been paid towards 2019 costs. The Committee remains in a financially stable position.

Andy Ingram – for The Guild Education Committee

PUBLIC RELATIONS OFFICER REPORT

Our Guild's WW1 Centenary Commemoration project provided a good opportunity to raise the profile of ringing and for ringers to enhance their good working with church congregations and their communities. The two Cathedral services in May, where the bound archives were presented to the Cathedrals, were well-attended by members and invited guests. We used the occasions to chat to the dignitaries and asked them to take back information about ringing to their communities and for recruitment to be encouraged wherever appropriate. There had been media interest as a result of the Press Release issued and local towers were positively involved. The Chamborough Ring was erected outside Winchester Cathedral and was well-received and enjoyed by many; the Dean of Winchester Cathedral tried her hand at ringing there, as did many visitors to the Cathedral. Colourful, eye-catching leaflets printed ready for the two services were well-distributed at each event. Thank you to all volunteers.

The good working relationship with the two Dioceses continued well and we were well supported by both in the P.R. area. I will be updating both Bishops and Dioceses of our Guild's activities in 2020.

I reported to the Annual General Meeting that I was seeking to step down as P.R.O but, in the absence of a volunteer, offered to continue on a 'Caretaker' basis. The second part of the year therefore was relatively quiet. One of my main activities was in encouraging towers to seek out and use local P.R. opportunities, and to support their efforts if requested. Several towers had seen the promotional leaflets at the two Cathedral services and requested a supply for their own use; easily done as we had a good supply printed. The other area was in responding to Learn to Ring enquiries, from our own website or referred from Central Council's; I have continued to work with David Mattingley and District Officers to ensure the potential new ringers are 'signed up' with a Taster Session as soon as possible.

LIBRARIAN AND ARCHIVIST'S REPORT

The George Williams Memorial Library is located in the ringing chamber of Winchester Cathedral and is available for readers and borrowers by appointment. The system for loans provides a standard loan period of eight weeks with a liberal renewal policy for serious research and special problems. The only exceptions are the archive material and the Guild's annual and triennial reports for which, because of their unique importance, loans are solely at the discretion of the librarian. A catalogue of the printed books and of the complete archive is maintained on the Guild website. Part of our collection of archive material, held at the Hampshire Record Office in Sussex Street, Winchester, is available for consultation only. The collection there has the call-number 20M94.

My major preoccupation in the past year has been to rationalise the Guild's holdings of its annual reports. At some point in the distant past the annual reports from 1948 to 1959, bound into one volume, vanished from the library's shelves and following searches amongst loose reports and appeals to the membership I have been able to assemble a replacement volume. This, together with nine succeeding volumes to 2015, have been expertly bound or rebound by Tim Wiltshire at College Street, Winchester. Mindful of the needs of researchers at the County Record Office and the British Library, I have transferred runs of the Guild Annual Report and Handbook to the County Record Office and to the British Library, so that the former has a complete file from 1957 to date, and the latter, from 1960 to date. I hope to be able to continue this work by the addition to their holdings of some of the pre-war and immediate post-war editions of the Report. I regret that otherwise, my activities as Librarian have been limited to basic housekeeping routines, and I hope to accomplish more in 2020, including the purchase of some new items for which I had budgeted in 2019, and which explains the balance carried forward of nearly £100.

The Guild's online archive has the minutes of the Guild Annual meetings and Executive Committee meetings from 1980 to 2000, and from 2013 to 2014 (More recent minutes are already available from the Guild's Document Repository) and a collection of historical articles from *The Ringing World* about Guild people, places and events. These are all maintained by Tony Smith, to whom I am duly grateful.

I am always pleased to assist Guild members and others with an interest in the Guild with their researches. I should like to thank my colleagues within the Guild and the Winchester Cathedral band for their continuing support.

STRIKING COMPETITIONS COMMITTEE REPORT

The **Guild 6 Bell Inter-Tower competition** was held this year on 18th May at Wickham with 4 tower teams and a scratchband hotly contesting the trophy.

Congratulations to Portsmouth Cathedral on winning the competition which was judged by Martin Rice from Newbury and Mark Robins from Hungerford.

The weather was kind to us, overcast but dry, and the setting idyllic for a pleasant morning sitting in the churchyard listening to some fine ringing.

My thanks go to the local band and clergy for the use of the bells, The Portsmouth District committee for their assistance with organisation, the Judges and to Lynne Jordan for providing much needed refreshments.

Place	Tower	Faults	Ringing	Peal speed	Ringing order
First	Portsmouth Cathedral	8	Grandsire doubles	2.40	3rd
Second	Basingstoke (St Michael)	25	Plain Bob doubles	2.48	1st
Third	Bishopstoke	32	Grandsire doubles	2.41	4th
Fourth	Hawkley & Bramshott	41	Call changes	-	2nd
No Position	Scratchband	30	Cambridge Minor	2.53	5th

Unfortunately the 8 bell competition was cancelled due to insufficient team entries.

The **8 Bell Inter-district Competition** was held at Brighstone, IoW on the AGM day, 15th June. I can't say it was glorious sunshine but the rain held off for the morning as 4 teams met to contest the Shield.

We had an excellent morning with some fine ringing, judged by Peter Niblett from Whitchurch. All teams rang 224 changes of Grandsire Triples and the results were.

Place	Tower	Faults	Ringing	Peal speed	Ringing order
First	Isle of Wight 2	25	Grandsire Triples	2.47	4th
Second	Alton & Petersfield	42	Grandsire Triples	2.45	3rd
Third	Basingstoke	44	Grandsire Triples	2.49	2nd
Fourth	Isle of Wight 1	60	Grandsire Triples	2.54	1st

Pete Jordan

COMMUNICATIONS COMMITTEE REPORT

The Guild Website is now well established and remains a good source of information for the Guild Members. However, the information is only as good as the information the Comms Team receive. Continuous efforts should be made to keep this up to date, so it is accurate for Guild members and our visitors.

The Communications Team has suffered this past year with the departure of Deb Baker and our Convener, Gary Marsh, both unable to dedicate the time necessary due to work commitments. This only left Andrew Glover as the Guild Webmaster and some Districts that have their own Webmaster or Communications Officer to post news and events on the website. More new members for the team will be required in 2020 if we are to continue to keep the website regularly updated and avoid the information getting stale.

The 'Weekly News' is sent out when there is sufficient new 'news' to inform the membership. This is distributed to 6 mailing lists and a link is posted on the Guild and District Facebook groups so receives wide coverage across the Guild. More news, events and reports are required to make this weekly publication worthwhile creating and sending out. Towards the end of the year, it was not issued at all due to a lack of new information. The Weekly News promotes engagement with the site as the items are linked through to the website. This is proving to be an effective way of reaching members with all the excellent events which are organised at Tower, District and Guild level and is in addition to the traditional use of posters in towers.

There is still plenty of opportunity for towers to make more use of the website, especially for updating information on their own tower and using it for recruitment. People wanting to learn to ring do visit the site, and if they see that a local tower is recruiting and training new people, then they know to get in touch. This is especially important during periods when bellringing is in the media.

The team is always happy to help others to become website editors so they can add their own district or tower events and news. Training notes are available on the site to simplify this process, and all Webmasters belong to a Facebook Group so that they can give and receive quick support.

Whilst a significant number of people do use the website, we are still a long way from our aim of sending a weekly news bulletin to all members and having the website as the 'go to' place for Guild and District information.

The various social media sites around the Guild continue to grow with a small number of new requests asking to join each month. However due to lack of Comms Team members, activity on these sites and Twitter has not been as prominent as we would have liked.

The focus of effort in the next year will be:

- Encourage more members (especially new recruits) to join their local District email list or Facebook group.
- Recruit a new Communications Committee Convener.
- Recruit and train new District Webmasters.
- Encourage towers to send in their events and news reports.
- Continue to try and grow the weekly news system, so it can return to a weekly publication.
- Grow the Facebook pages by connecting to like-minded pages.

Andrew Glover

BELFRY STEWARDSHIP COMMITTEE

The committee has carried out the following tower inspections this year:-

St John the Evangelist, Northington - Inspection of the augmentation to six using four second-hand bells and hanging the old tenor dead as a service bell. Installation of a new steel frame for the three replacement bells alongside the existing three bell wooden frame. All bells hung on new headstocks with accompanying new fittings. Installation of new floor below belfry floor.

(April 2019)

The Church of the Ascension, Burghclere - Removal of cracked tenor headstock and fitment of new hardwood headstock. (May 2019)

Report on St Catherine's, Wolverton - Removal and overhaul of all clappers, rebuild and set up for correct striking. Fit all new pulley blocks. (May 2019)

St Peter's, Over Wallop, 29th November 2019 - Removal of cracked tenor, specialist repair and removal of remains of original crown staple, and refit with new headstock. Clean, re-lubricate and refit bearings, and fit wheel to new headstock. Service other four bells, re site rope fall on four and tenor with new double wheel pulleys. (November 2019)

We process data on the understanding that, having provided information, the Guild has a "legitimate interest" in processing this data in order to provide periodic communications and to support members in their membership of the Guild.

You may ask to see a copy of the personal data we hold about you. You may also request that we correct any errors in your data, do not use it for a particular purpose or delete it entirely. You may withdraw that consent at any time and ask us to stop the processing. We work within current C of E safeguarding guidelines and normally request a parent or guardian's email address to communicate with young ringers under 18 years of age.

A copy of the Guild's Privacy Policy is published on the website .

PEAL RECORDER'S REPORT

The Guild peal total for 2019 increased slightly with 133 compared to 127 in 2018, but this is still well below the numbers from the early and mid 2010s.

I must thank Andrew Craddock for sharing the statistics generated by PealBase, allowing me to cross-check the Guild's records. I would also like to thank all those conductors and organisers who submit details, compositions and fees within the one month deadline specified by the Guild rules. Please may I remind conductors that we do require all compositions in full. As noted in previous years, I can take peal fees electronically and I am pleased to say that an ever increasing number of conductors have taken up this facility.

Tower Bell Peals

There were 96 tower bell peals rung for the Guild in 2019. 122 ringers rang a tower bell peal during the year which is 29 fewer than 2018. 2 ringers rang their first peal in a W&P peal and the Guild Officers would like to extend their congratulations to Will LeRay and Nikki Brown. Sadly, Nikki has now left the area to work in Norway and will be missed by the Portsmouth District.

The list of prolific peal ringers and conductors remains broadly similar to previous years with the familiar names appearing. Due to the birth of my first child this is likely to be the last year for a while when I will have to report myself at the top of both lists (which will make writing this report somewhat easier). The total number of conductors remains at 20 and it would be pleasing to see this to start increase again.

St Agatha, Portsmouth is comfortably the leading peal ringing tower in 2019 with more than twice as many peals rung as any other towers. Southampton, St Barnabas experienced a spike in popularity during the first half of the year due to the uncertain future access following the retirement of the vicar and former guild master Barry Fry. As in previous years Bishopstoke and Awbridge also feature in the top four.

There were a small number of personal milestones achieved in the year; Toby Arkless scored his 850th peal, Annabel Preston 400th, Colin Butler 275th, Claire Merivale 75th, Josh Harris 50th and my 1500th. Toby also rang his 400th for the Guild during 2019, as did Mark Esbester, and Kath Arkless her 250th.

Peals at Hambledon and Oswlebury were rung to mark the 75th anniversary of D-day. Two peals, at Portsmouth Cathedral and Bishopstoke were rung for Armistice Day. A peal was rung at Alverstoke to mark 100th anniversary of the dedication of the bells on 11th November 1919, the bells being cast as a war memorial.

Two peals were in memory of former tower captains. In May a peal of Stedman Cinques was rung at Winchester Cathedral in memory of Graham Grant, and in September a peal of Grandsire Caters was rung at Fareham in memory of Alan Sturgess.

A peal of 7 doubles was rung at Bishopstoke in January recreating a peal from 50 years earlier with 5 of the original band. The original peal was the first peal for 4 of that band, all of whom rang again in 2019.

In a similar vein, a peal was rung at Bishopstoke to mark the 50th anniversary of the moon landings also in 1969. The band consisted of ringers who all rang their first peal in a year ending in 9 including 6 from 1969.

Handbell Peals

Handbell peal numbers remained broadly similar to 2018, with 37 scored compared with 36. The number of ringers ringing a handbell peal for the guild also remained the same, although the number of conductors reduced to just 7.

Ian Redway was once again the leading handbell ringer for the guild in a list looking very similar to 2018. Frank Morton was the most prolific conductor as he has been for the last few years.

Martin Daniels and Maureen Hanney scored their 600th and 350th peal in handbell peals during 2019, Ian Redway also rang his 300th peal in hand.

I mentioned in this report last year that a band conducted by John Croft had broken their own record 3 times for the most spliced royal rung in hand for the Guild. During 2019 they proceeded to break this a further 3 times, settling (for now?) at 22 Spliced Plain and I offer my congratulations to them.

Handbell peals were rung in memory of Derek Yates and Sheila Daniels.

District Ringing Master's Report

Throughout 2019 I have endeavoured to arrange a district practice each month (11 in all, one more than last year) starting in January at Petersfield for general 8 bell ringing. Other practises covered the basics from rounds and call changes up to Stedman Triples, Grandsire Triples and Plain Bob Major. Also covered were Grandsire Doubles and Little Bob Minor. The attendance for these was once again very good, up on last year with an average of just under 20 however if we add in the August practice which was held on the day of the BBQ and became a rounds Ringing Competition, the number goes up to just under 25. The best attended was the General 8 bell practice held at Selborne with 37 and the lowest was the Minor methods held at Buriton with 15. While its not about numbers it is encouraging to see that the attendance at district practises is holding steady. The only down side to this is that there was no 10 bell practice and no Surprise Practises on 6 or 8 bells. Some Surprise Methods have been rung at the general ringing and on some tower practice nights in the district while a number of Saturday morning practises took place organised by the Petersfield ringers to improve Cambridge S Minor and there is the 8 bell practice held at St Lawrence Alton.

The quarterly meeting held at Selborne in April was very well attended and saw the introduction of a new Trophy in memory of my mum Doris Barber to be awarded each year for achievement in bell ringing and also longevity in ringing. Well done to Gordon Strachan of Blackmoor who became the first recipient for his efforts in 2018.

I had been asked by a number of ringers whom I come across in the district if I would consider arranging a tied bell practice and this I did at Hawkey during holy week. We held 3 sessions in all and the attendance was good, averaged 18 including the helpers. While this was foremost for improving on bell handling and bell control while ringing rounds it also took in basic ringing and listening skills on handbells.

We entered a team in the Inter-District striking competition held at Brighstone IOW. We managed 2nd place with our touch of 224 Grandsire Triples. My thanks to the band for taking part.

In August we held the traditional A&P District BBQ with the District Practice which turned out to be a rounds ringing competition. The rules for this were very much relaxed to give everyone a chance to take part. This was a very well attended event. 11 teams took part, involving 52 ringers, and not forgetting the two judges. It did take quite a time to get through all the ringing which made the BBQ itself all the more welcome.

The annual visit to Winchester Cathedral was once again well attended, 47 from in and around the district and Guild. The emphasis was to achieve some good rounds on 12 and 14. This year we also managed to ring some pretty reasonable Plain Hunting on 11 which for some was a big positive step. We also rang a bob course of Grandsire Cinques and half a course of Cambridge S Major on the back 8. This was the only ringing on higher numbers for most during 2019.

The District outing had something of a difference this year and took us to Ypres in Belgium. On the way we rang at Folkestone and then across on the train to France and on to Ypres. The plan was to help the local ringers improve their ringing and to ring a QP, all of which we did. Following the ringing a splendid tea along with some fine Belgium beer was laid on for us. We then attended the Last Post Ceremony where Emma Hornsby, Sam Marriott and myself had the honour of laying a wreath in memory of ringers that were lost during World War 1. We had enough time afterwards to get some beers in before heading back home. Later in the year the

Ypres ringers visited us for the weekend which was great, and all credit for these two events go to Simon Poyser and Mike Novell.

Then came the District Striking Competition held at Holybourne which took place in the afternoon. The guild youth day was also taking place on this day and they came and joined us at Holybourne and entered two teams to help themselves gain more experience and also for it to be more interesting for the judge. Nine teams took part in all, 5 tower teams. one scratch band and the two youth teams. The overall winners of the District shield and best method ringing Trophy went to St Lawrence Alton with 7 faults, with the joint team of Bramshott and Hawkley coming 2nd and winning the best Call Change trophy with 10 faults. There were 58 people in attendance. I would like to place on record my thanks to Brian Underwood from Milland West Sussex for judging the competition.

I would like to give the Blackmoor outing a mention. Members of the district were invited along and a most enjoyable day was had, taking in towers in the Test Valley, however the highlight was without doubt John Dodd's 3cwt ring of 10 at the Clockhouse Awbridge. These bells although quite light were a lot of fun and everyone did very well managing some good Plain Hunt on 9. My thanks to the Blackmoor ringers for organising this outing.

My question is, how do we see the future of the District and the Guild as a whole. While its great that the overall attendance is up there are still area's that could be better. The absence of Surprise Practises, well I can arrange those in the coming months if they are wanted. Basic bel handling or bell control skills i.e. setting both hand and back on command, ringing rounds and stand as we did at Hawkley on 8 tied bells. Its valuable experience and also a lot of fun. To have more emphasis on the quality of the striking, so listening skills are required, which again can be provided both with the use of Church bells and hand bells in this District. I believe that sometimes its worth taking a step back and trying to strike rounds and call changes, or plain hunt well and at the same time understanding what it is one is actually doing to make it sound good, rather then ploughing on regardless and missing the real point, which is how good is my striking and how does it sound outside. This is an area which needs real attention and I would like to address this in the coming year.

On the positive I believe that our District is in a better place than a year ago, and yes we can do with more new recruits coming in, which again is an area I would like to touch on in the coming year, but the main point is that we have achieved a good deal with our practises and outings, competitions and social events that make it all worth while. Anyone can arrange a practice or an outing, however its you the members that make it work. So here's wishing you all a Happy New Year and lots of Bell ringing.

Roger Barber

District Secretary's Report

The overall number of ringers has remained much the same for weekly tower practices and monthly District practices. A small group of very supportive towers attend all District Practices and our Ringing Masters have decided to concentrate their efforts within this group in 2020.

Groups of towers have combined resources to strengthen ringing numbers on practise nights. Tanglely, Kingsclere and the Wallops have regular combined practices with the support of their local towers. Quarter peals and other dedicated ringing along with weddings have benefited from this local support. Visiting groups have also rung Quarter Peals.

Dedicated ringing from several towers in the District showed solidarity with the people of France following the Notre Dame fire.

Highclere reports that ill health and the sad loss of Maurice Dodd has reduced their band. They would welcome new recruits.

The St. Marybourne outing to the Somerset Levels in August was an opportunity to catch up with former District ringers Charlie Hunt and John Simpson.

The Wallops are back to full strength with repairs to the 500 year-old tenor and the other bells at Over Wallop. Echchinswell tower hopes to complete the installation of their new peal of six this year.

A retired ringer at Whitchurch has donated a lovely, handmade working model of a bell. The tower secretary believes he takes orders if other towers require a teaching aid.

Unfortunately, the District has to say goodbye to the incumbents at S.M.B. and Burghclere. We wish them well.

Maggie Hiller
District Secretary

BASINGSTOKE DISTRICT

Chairman: Martin Barnes,
Secretary: Nici Collins,
Treasurer: Fiona Sayers,
Ringing Master: Miriam Taylor,
Executive Committee Rep: Ashley Gray,
Independent Examiner: Lois Blissett,

Ringing Master's Report

2019 kicked off with the ADM at Sherfield-on-Loddon which was very well attended, followed by a lovely tea. We were at St Michael's, Basingstoke in February and then travelled to Reading for an excellent practice at St Lawrence in March. We had a great turnout at Deane in April – this was a first for many members, and then to Silchester in May. In June we travelled to Winchester Cathedral for Evensong ringing, and in August we visited Bramley, Hampshire for our practice. We used the opportunity to offer some general maintenance instruction prior to ringing which included a tour around the bells with ideas on what to look for to ensure the bells in our District towers keep ringing smoothly – we had some really good feedback from this event.

September saw us in Alton, ringing at All Saints in the morning and St. Lawrence in the afternoon. It was an enjoyable and fun day out even if the lunch was a little less than perfect! Then we rounded off the year at Newnham and then across the border into Crondall.

There have been several Guild Education courses which have taken place during the year and a number of our members have attended these. They have proven to be very useful and it has been encouraging to see our members continue to use the knowledge they have gained to progress with their ringing.

Thank you all for supporting the practices throughout 2019 and to those who allowed us to ring in their towers. We hope that our monthly District practices scheduled for 2020 will continue to be well supported; they are a real opportunity for members of mixed ability to ring together and have a good catch-up!

Miriam Taylor

CHANNEL ISLANDS DISTRICT

Chairman:	Jane Le Conte,
Secretary:	Helen McGregor,
Treasurer :	Mike Halsey,
Ringling Master:	Duncan Loweth, Hazelton,
District Report Editor:	Peter Bevis,
Independent Examiner:	Louise Read

District Secretary's Report

There are three islands comprising the Channel Islands District – Alderney (two towers – one band), Guernsey (four towers– with five bands) and Jersey (two towers – two bands with strong overlap). We meet up twice a year – once in the spring for our inter-island 8 bell striking competition and once in the autumn for our inter-tower 6 bell striking competition. The high cost of inter-island travel means that there is very little scope for supporting practices on a different island to that of our home tower. Each island's ringing has a different 'flavour'. Please see cibells.com for more info.

Alderney: St Anne's has only peal of 12 on the Channel Islands. Having augmented from 6 in the autumn of 2013 the local band is now confident on triples and major, regularly rings rounds on 10 & 12 but not yet methods on these higher numbers. The teaching of youngsters has been greatly facilitated by the building of the CI Ringing Centre – Wells Bells. The two towers operate as one with the novices meeting at Wells on Wednesday afternoons for training up to and including rounds and plain hunt on small numbers. The novices then transition to St Anne's for Mon & Sat practices & Sunday service ringing. Wells Bells are also put to good use with our experienced ringers having focused practices on eg Double Norwich Court Bob Major & Cambridge Surprise Major. Quarter peals and peals are rung at both towers. There is an active method ringing handbell group meeting weekly on Alderney.

Guernsey: The four towers in Guernsey continue to run their weekly practices and Sunday service ringing. As well we have recently reinstated monthly island practices at the 10 bell tower where we have been ringing DNCBM, Kent and Oxford Treble Bob Major, Stedman triples and Grandsire / Plain Bob caters and royal. We will lose some of our young ringers in September and as well as wishing them well we encourage them to find their university band and come back in the holidays better than all of us!!

Jersey: Jersey has a ring of 8 (St. John's) and also a ring of 6 (St. Mark's). Whilst the bands have not combined, many of the local ringers ring at both churches for Sunday services and practice nights. Ringing consists of everything from rounds and call changes through to spliced surprise major, along with more obscure methods such as Treeton S Minor (reverse London) and spliced doubles and minor. There is a wide range of age groups ringing in Jersey, including six teenagers.

District Secretary's Report

2019 continues the district programme, which places more emphasis on ringing. It has continued successfully, and we plan to continue into 2020.

Our two annual striking competitions have been successfully combined with these district practices. The Hartless Striking competition (call changes) was held at Minstead in March and the Hinton striking competition (six-bell change ringing) was held at Fawley in September.

We have retained the ever-popular summer practice at Winchester Cathedral, which was very enjoyable.

This year Brian Curtis from Fawley was elected Life Members after 50 years of continuous ringing in the District.

We have continued with running Youth Practices during the school holidays. The age of Attendees has ranged from 10 – 17. Practices have been well attended by our young ringers making good progress each time. Some of our district youth ringers were part of the guild band that took part in RWNYS in Liverpool, where they got to ring at a variety of towers in Liverpool including Pierhead and Liverpool Cathedral, where some even got to ring the tenor. This years event will be in York.

This year will see a change to how training will be run in the guild with the initial training (plain hunt to Bob Doubles) will be catered for at a district level and the more advanced specialised methods will be taken at a whole guild level. Details will follow.

Bell Weights

It is traditional to give the weight of the tenor bell in a tower as cwt-qr-lb and when shown simply as cwt (and, possibly fraction thereof) indicates an approximation / estimation. A cwt (hundredweight) is 4 qr (quarters), 112 lbs or 50.80kgs. Details of all the bells in a tower can be found on the Dove's Guide website. (dove.cccbr.uk)

District Secretary's Report

In 2019 we held our Annual District Meeting at Newport Parish Rooms. We elected 5 new members. We elected Barry Downer and Kieran Downer as joint Ringling Masters. All the other officers were willing to stand again and were re-elected.

We have had our three striking competitions during the year. The Don Exell (8-bell) is first in April and Brighstone hosted the event. It was judged by Paul Miller and the winner was Brighstone. In May we had the Lester Bailey (6-bell) call change competition at Godshill and eight teams entered. The judge was George Vant and the winner was Brading. The third striking competition was held in October and was at Arreton, the Fred Green (6-bell) change ringing competition. This was judged by Julian Hemper. 9 teams entered and the winner was a joint team of Carisbrooke/Ryde.

The two Cathedral services at Portsmouth and Winchester in May were the final events of the W&P WWI Centenary Commemoration Project. Three of our ringers, Rachel Anderson, Viv Nobbs and John Stock, had served for several years on the working committee. Many Island ringers attended the services.

We also had the pleasure of hosting the Guild AGM in June. This was a very successful day, starting with the Inter-District Striking competition, held at Brighstone, with four teams entering: Basingstoke, Alton and Petersfield and IOW 1 and 2. The Judge was Peter Niblett and it is good to report that IOW 2 were the convincing winners! Lunch, meeting and tea for the AGM followed at Freshwater Village Hall and All Saints Church.

We have had Training Days and District practices during the year, and twice yearly meetings, all of which are well attended and much appreciated.

A talk was given at Shorwell about ringing and its history to the Oddfellows Friendly Society. Viv Nobbs and Paul Miller gave the presentation and offered a taster session to members of the group who thoroughly enjoyed the experience.

We were saddened by the loss of our President, Peter Smith, who had been Tower Captain at Freshwater for many years. A peal was rung in his memory at Godshill, a quarter peal at Brighstone and a quarter peal at Carisbrooke.

Other ringing included Ryde's peal for their Patronal Festival and the 150th Anniversary of the laying of the Church's Foundation Stone. Shanklin rang a peal to commemorate the 150th anniversary of the founding of their church and two quarters were rung to welcome our new Archdeacon, Ven Canon Peter Leonard. Newchurch celebrated Val and Alan's golden wedding with a quarter peal. Ryde attempted a quarter for their new incumbent, the Rev Samantha Martell and Brading rang to celebrate ringer Robyn's new baby, Autumn. A quarter was rung at Shorwell for Bruce Lockhart's 75th birthday. He was formerly tower captain at Shorwell and his son Simon was able to ring in the quarter. In June, Chale opens its tower to visitors to get a good view of the Round the Island yacht race. They don't ring the bells on this occasion but the view is magnificent!

A jolly Christmas party was enjoyed in January, so much more relaxed after the rush of Christmas, and silly games and a tricky quiz were fun for everyone. Thank you, Shanklin, for hosting and providing a such a nice tea.

The Bishopstoke Ringing Centre

This is an independent, Central Council recognised, Ringing Centre located at St Mary's Church, Bishopstoke, where there is a ring of 10 bells, tenor 11cwt.

The principal facility is an up-to-date Abel simulator which is used with clappers tied.

The church has a toilet and there is a kitchenette for serving light refreshments.

The Centre may be used by Districts, Towers and other groupings for running ringing courses, subject to availability.

A donation is requested for the use of the Centre.

District Secretary's Report

2019 was another busy year with a number of meetings, social events and special practices held across the District.

The Annual District Meeting was held at Swanmore and included supper. Quarterly meetings were held at Wickham, Catherington and Purbrook. The Catherington meeting in July was combined with a barbecue. Marie Boniface and her team provided a wonderful barbecue as usual and everyone enjoyed the afternoon.

Several District Training Days were organised during the year, including Raising and Lowering (both alone and in peal) and Bob Doubles. These were mostly taken up well and more training days have been planned for this year. In August the Portsmouth District had its annual visit to Winchester Cathedral, which is always much anticipated and gives learners a chance to try ringing on higher numbers of bells.

Social events included the usual skittles night during Holy Week and quiz night in September, as well as the evening meal out on District Quarter-peal Day. This year was not the best for the District, as only three quarters were successful out of the seven attempted.

The District Outing on May bank Holiday Monday was organised by David Mattingley and visited six towers in the Alton area.

In May, the Guild commemorated those ringers who lost their lives in WW1. The event included ringing at all three Portsmouth towers. followed by a service at the Cathedral in the evening and presentation of the Guild archive of commemorative ringing.

In April, a QP of Grandsire Triples was rung at Shedfield to celebrate a "special" birthday of the tower captain Betty Daysh. The same evening, a peal of Bristol Surprise Major was rung at Bishops Waltham to celebrate Betty's special day.

The District was saddened to hear that Alan Sturgess, life member and longtime tower captain at Fareham, passed away in February.

This year, Edd and Lizzie Colliss' family was augmented by the arrival of baby Alexander. A peal was rung at Portsea to commemorate the happy event. Owing to family commitments, Lizzie will be stepping down as District Ringing Master and on behalf of the District I would like to thank her for her dedication and hard work while in post.

After four years in post I am stepping down as District Secretary. My thanks to my fellow committee members for their hard work and dedication over the last four years, and to all the tower reps and ringers who host the District practices, organise special events and volunteer as helpers on training days.

District Secretary's Report

In some respects the District operated at a lower key in 2019 than in 2018; nevertheless we kept busy throughout the year.

During the year we welcomed 25 ringing members and 18 probationers; the membership figures are now 252 full, life and associate members and 28 probationary members. We mourned the passing of Graham Grant (LM), Mary Harper, Derek Yates (LM) and John Denham.

The year's programme saw a regular cycle of training events, district practices and social events. Our Annual District Meeting was held at Lockerley, with opportunities to ring there and at West Tytherley in the afternoon and at East Tytherley in the evening.. The May meeting at Twyford was combined with fundraising open day in aid of the tower's restoration appeal, with the Charmborough Ring deployed at nearby Mildmay House. The District Striking Competition, held in the afternoon, resulted in five entries for the method-ringing contest, with Hursley placed first with one and a half faults, followed by Bishopstoke (4), Romsey (8) and New Alresford (13), and the scratch band earning a special commendation (12) There was no call-change contest. The November meeting at Easton, provided training – as in 2018 – in Cambridge and Primrose Minor. The Carol Service at Northington was attended by some 25 people, and our thanks go to the Candover Valley Ringers who organised the hot drinks, and – aided by well-wishers – the mince pies. Indeed, the District owes an enormous debt of gratitude to the host towers and their helpers for their most generous hospitality throughout the year. Thank you all, very much indeed.

Our support for towers throughout the District continued with ten district practices – including the annual fixture at our cathedral – with, inevitably, one or two not being supported as well as one might hope. We held three training sessions: Reverse Canterbury at Stockbridge in June, bob doubles and minor at Cheriton in September and raising and lowering in peal at Sparsholt in November, thus providing for the basics and with a fair geographical spread. The monthly Surprise Major practice at Hursley and 'Beyond Bob Doubles' evenings continue, as does the monthly practice at Lockerley of unusual doubles and minor methods.

Last year, we had no outings: this year we plan to make amends with a "Festival of Ringing", providing opportunities to sample the bells throughout the Test Valley, throughout the day, with the Charmborough Ring at Stockbridge. The Exercise's profile within the District was kept high, firstly with the Guild service of commemoration of the Great War on 19th May, secondly with a successful presence at the Romsey Show, with both events featuring the Charmborough Ring.

In conclusion, my thanks go to my fellow-officers for their support to me, and to all the towers that make the work of the district possible, and to the members who support our work, and without whom there would be no District.

Sat Jan 19 2019 2h31 (4)

5040 Doubles

(7m/v: 6 extents St Simon B, St Martin B, Reverse Canterbury Pleasure P, April Day B, Dedworth B, Plain B, Grandsire)

- | | |
|---|--------------------|
| 1 | Allen L Guille |
| 2 | Roy LeMarechal |
| 3 | Jane E Marsh |
| 4 | Linda V Cull |
| 5 | John P Colliss (C) |
| 6 | John C Hallett |

By a class of 69. Recreating a peal of 7 m/v Doubles rung here 50 years ago on 18/1/69. It was the first peal for the ringers of 1,2,5,6 who rang the same respective bells. Jane was also ringing in the same position as 50 years ago, that being her 2nd peal. Linda replaced the late T John Frodsham who was also ringing his first peal 50 years ago. She didn't ring her first peal till Feb 69.
